THE NEW YORK LATIN LEAFLET

DAVID H HOLMES, Managing Editor

Published weekly during the school year by an Editorial Committee of classical teachers from the high schools in New York City.

The entire expense of publication is met by the advertisements, so that every penny of every subscription goes into the Scholarship Fund. The subscription price is 25 cents a year. The advertising rates are twenty-five ($25) dollars an inch, a year.

All communications concerning *The Leaflet* should be addressed to *The Latin Leaflet*, Eastern District High School, Driggs Ave. and So. 3d St., Brooklyn. Subscriptions to *The Leaflet* should be sent to the same address. Communications requiring answers should contain return postage.

The treasurer is E W Harter, Erasmus Hall High School, Brooklyn, to whom checks made payable to *The Scholarship Fund* should be sent.

The internal purpose of this publication is to provide a Clearing House for secondary classical teachers in New York and vicinity or anywhere else; to afford an opportunity to younger classical scholars anywhere for the publication of their more modest endeavors along the line of original work, which might not otherwise see the light; to stimulate the teaching and quicken the student activity in the classical work in the high schools of Greater New York. The external purpose is to establish one or more College-entrance-scholarships for the most successful graduates from high schools in New York City, to be awarded on a competitive examination. The proceeds over and above expenses will be devoted to a scholarship fund. The labor involved is a labor of love.

Just a Word on Dress

Ralph Waldo Emerson wrote: "*If one has keen sensibilities, it is perhaps a wise economy to go to a good shop and dress himself irreproachably*".

We have learned that no keener sensibilities nor better judgment of styles exist than are possessed by young men and observant boys.

We wish *them* to learn that ours are "good shops"

Tunstall's ORATIONS OF CICERO

"The best working edition of Cicero's Orations that we now have", says the head master of a leading classical school.—"The most useful and practical school edition of this author that I have seen" is the word from another secondary school of high rank.

The text of each speech is broken into paragraphs, and a running argument showing the trend of the thought inserted at the breaks. This is one feature. The judicious annotation evidences the scholarly and practical teacher.
